

awareness among veterans of housing programs and help those who bravely served our country to secure the housing they need. Once stable housing is secured, community action agencies will work with veterans and other eligible individuals to ensure the full range of community resources, including workforce training, health resources, and opportunities for peer support, are available to those veterans who need it most.

Supporting our Nation's veterans with the community services block grant program is the least we can do. After serving our country and putting their lives on the line to defend our freedom and democracy, our Nation's veterans should not struggle to get the resources they have earned. But far too often, our veterans face issues finding housing and employment. It is unacceptable.

On any given night, the Federal Government estimates that more than 40,000 veterans are homeless. On top of that, data shows that the unemployment rate of veterans ages 18 to 65 is higher than the unemployment rate of nonveterans.

Today's amendment builds on the work I helped lead, working with both sides of the aisle in recent months and since I was elected, to support our servicemembers, veterans, and veteran families.

The first piece of legislation I passed in Congress was to expand hiring of post-9/11 veterans. Just weeks ago, I was proud to join my colleagues in passing a 2.7 percent pay raise for members of the military to ensure we are getting the backs of those who bravely have ours.

Late last year, the House passed the bipartisan Student Veterans Counseling Centers Eligibility Act, which will expand access to mental health services for veterans utilizing their GI benefits at colleges and universities through established vet centers.

In March, we passed the bipartisan Guard and Reserve GI Bill Parity Act to help expand access to GI benefits for members of our military who serve in the National Guard and Reserves, as they don't receive the same access to vital GI benefits that they deserve as well.

Also in March, working with the members of the bipartisan Problem Solvers Caucus, we passed the Honoring our PACT Act here in the House to help veterans exposed to burn pits, covering veterans dating back to 1991 and Operation Desert Storm and through our more recent post-9/11 conflicts.

This included my key provisions to address the mental health impacts for toxic exposure for veterans and to ensure VA information on toxic exposure illnesses is published in multiple languages, like Korean and Spanish, to help even more of our veterans.

Back home in New Jersey, I have been fighting for expanded access to healthcare services, and I helped estab-

lish the mental health services at the VA Community-Based Outpatient Clinic in Newton in Sussex County, New Jersey. I am working to cut through red tape with the VA Community Care Network to ensure eligible north Jersey veterans are able to receive referrals for community care at ImageCare Centers across the Fifth District. We have made critical progress on that front. Now, more veterans in my district have greater access to healthcare that they deserve.

Let me just say, these are not Democratic or Republican issues. They are red, white, and blue issues. They are issues core to protecting our great democracy, the ones our veterans have always fought for.

There is nothing more important in this job than our responsibility to have the backs of those who have served our great Nation, whether that is at the VA, a mental health issue, or helping veterans find housing or get jobs when they come back home.

Madam Speaker, I urge my colleagues on both sides of the aisle to vote in favor of my amendment to add support for veterans to the list of eligible community services block grant investments.

Madam Speaker, I reserve the balance of my time.

Ms. FOXX. Madam Speaker, I claim the time in opposition, but I am not opposed.

The SPEAKER pro tempore. The gentlewoman is recognized for 5 minutes.

Ms. FOXX. Madam Speaker, we owe our military veterans a huge debt of gratitude, and we must make sure they are well supported as they transition back into the civilian workforce.

This amendment encourages the CSBG program to meet the needs of low-income veterans, especially homeless veterans. It is surprising to me that we need to put such an amendment in this bill because we would think that the CSBG program would already be doing it. But since this is a worthy goal and one that I support, I will support this amendment.

In fact, Madam Speaker, I wear a pin every day with the United States flag, the North Carolina flag, and a banner under it that says: "I support veterans." Therefore, I must support an amendment that would support veterans.

While I have concerns with the underlying bill, I think this is a good amendment, and I appreciate the gentleman offering it.

Madam Speaker, I reserve the balance of my time.

Mr. GOTTHEIMER. Madam Speaker, I thank the ranking member for her comments and for the support of veterans.

Madam Speaker, I yield 30 seconds to the gentlewoman from Oregon (Ms. BONAMICI).

Ms. BONAMICI. Madam Speaker, I thank Representative GOTTHEIMER for his amendment and for his leadership in addressing the needs of our country's veterans.

Madam Speaker, this amendment will help community action agencies meet the needs of veterans, particularly homeless veterans.

Although many community action agencies already implement other Federal programs serving veterans, this amendment will emphasize that all eligible entities are able and equipped to serve veterans and their communities.

Again, I thank my colleague for offering this amendment, and I thank the ranking member for supporting it as well.

Mr. GOTTHEIMER. Madam Speaker, I yield back the balance of my time.

Ms. FOXX. Madam Speaker, I yield myself the balance of my time.

Madam Speaker, we must do all we can to make sure we help low-income and homeless veterans. I think this amendment furthers that effort.

Madam Speaker, I urge my colleagues to support the amendment, and I yield back the balance of my time.

The SPEAKER pro tempore. Pursuant to House Resolution 1097, the previous question is ordered on the amendment offered by the gentleman from New Jersey (Mr. GOTTHEIMER).

Beginning on page 36, strike line 23 and all that follows through line 3 on page 37.

Page 39, after line 8, insert the following:

"SEC. 680A. OPERATIONAL RULE.

"(a) RELIGIOUS ORGANIZATIONS INCLUDED AS NONGOVERNMENTAL PROVIDERS.—For any program carried out by the Federal Government, or by a State or local government under this subtitle, the government shall consider, on the same basis as other nongovernmental organizations, religious organizations to provide the assistance under the program, so long as the program is implemented in a manner consistent with the Establishment Clause of the first amendment to the Constitution. Neither the Federal Government nor a State or local government receiving funds under this subtitle shall discriminate against an organization that provides assistance under, or applies to provide assistance under, this subtitle, on the basis that the organization has a religious character.

"(b) RELIGIOUS CHARACTER AND INDEPENDENCE.—

"(1) IN GENERAL.—A religious organization that provides assistance under a program described in subsection (a) shall retain its religious character and control over the definition, development, practice, and expression of its religious beliefs.

"(2) ADDITIONAL SAFEGUARDS.—Neither the Federal Government nor a State or local government shall require a religious organization—

"(A) to alter its form of internal governance, except (for purposes of administration of the community services block grant program) as provided in section 680(c); or

"(B) to remove religious art, icons, scripture, or other symbols; in order to be eligible to provide assistance under a program described in subsection (a).

"(3) EMPLOYMENT PRACTICES.—A religious organization's exemption provided under section 702 of the Civil Rights Act of 1964 (42 U.S.C. 2000e-1) regarding employment practices shall not be affected by its participation in, or receipt of funds from, programs described in subsection (a).

"(c) NONDISCRIMINATION AGAINST BENEFICIARIES.—A religious organization that

provides assistance under a program described in subsection (a) shall not, in providing such assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief."

"(d) LIMITATIONS ON USE OF FUNDS FOR CERTAIN PURPOSES.—No funds provided directly to a religious organization to provide assistance under any program described in subsection (a) shall be expended for sectarian worship, instruction, or proselytization.

"(e) FISCAL ACCOUNTABILITY.—

"(1) IN GENERAL.—Except as provided in paragraph (2), any religious organization providing assistance under any program described in subsection (a) shall be subject to the same regulations as other nongovernmental organizations to account in accord with generally accepted accounting principles for the use of such funds provided under such program.

"(2) LIMITED AUDIT.—Such organization shall segregate government funds provided under such program into a separate account. Only the government funds shall be subject to audit by the government.

"(f) TREATMENT OF ELIGIBLE ENTITIES AND OTHER INTERMEDIATE ORGANIZATIONS.—If an eligible entity or other organization (referred to in this subsection as an 'intermediate organization'), acting under a contract, or grant or other agreement, with the Federal Government or a State or local government, is given the authority under the contract or agreement to select nongovernmental organizations to provide assistance under the programs described in subsection (a), the intermediate organization shall have the same duties under this section as the government."

LEGISLATIVE PROGRAM

(Mr. SCALISE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SCALISE. Mr. Speaker, I rise for the purpose of inquiring to the majority leader the schedule for next week.

Mr. Speaker, I am happy to yield to the gentleman from Maryland (Mr. HOYER), the House majority leader.

Mr. HOYER. I thank the Republican whip for yielding.

Mr. Speaker, on Monday, the House will meet at 12 p.m. for morning hour and 2 p.m. for legislative business, with votes postponed until 6:30 p.m.

On Tuesday, the House will meet at 9 a.m. and will recess shortly thereafter. At approximately 11 a.m., the House will meet in joint session with His Excellency Kyriakos Mitsotakis, the Prime Minister of the Hellenic Republic, Greece. Votes are expected in the House on Tuesday thereafter.

On Wednesday, the House will meet at 12 p.m. for legislative business.

On Thursday, the House will meet at 9 a.m. for legislative business.

The House will consider Chairman SCOTT's H.R. 7309, the Workforce Innovation and Opportunity Act of 2022, which is an important part of the Make It In America agenda. Now more than ever, businesses need skilled workers, and it is essential that we reauthorize WIOA to expand access to skills training for high-demand, high-wage jobs.

Mr. Speaker, the House will also consider H.R. 7688, the Consumer Fuel Price Gouging Prevention Act, introduced by Representatives KIM SCHRIER and KATIE PORTER. This critical legislation seeks to give the Federal Trade Commission greater authority to rein in excessive gas prices. This bill would protect consumers against irresponsible actors in oil and gas who would artificially inflate prices for extra profit, and it will help Americans struggling with higher energy costs.

Mr. Speaker, the House will also consider two bills under suspension of the rules in recognition of National Police Week.

Mr. Speaker, 23,229 of our fellow citizens have lost their lives, over the course of the existence of our country, in law enforcement, in doing their duties and protecting us and protecting our property.

The first of those bills is H.R. 6943, the Public Safety Officer Support Act, bipartisan legislation that would expand eligibility for the Public Safety Officers' Benefit program to include stress and trauma-related injuries and death by suicide for law enforcement officers and their families.

Tragically, Mr. Speaker, that happens too often as a result of the trauma and stress which our police officers around the country confront.

The second bill is H.R. 2992, the TBI and PTSD Law Enforcement Training Act, again bipartisan legislation, Mr. Speaker, that would require the Department of Justice to develop crisis intervention training tools for law enforcement agencies so they can better equip officers to respond to individuals with traumatic brain injuries and post-traumatic stress disorder, some of the most dangerous confrontations that our officers have.

The House will also consider, Mr. Speaker, H.R. 6531, the Targeting Resources to Communities in Need Act of 2022, sponsored by JIM CLYBURN and HAL ROGERS, the ranking member on the Appropriations Committee. Unfortunately, that failed on suspension, so it is coming back under a rule.

We will also consider S. 2938, legislation to designate the United States Courthouse and Federal Building located at 111 North Adams Street in Tallahassee, Florida, as the Joseph Woodrow Hatchett United States Courthouse and Federal Building, which was sponsored by Senator MARCO RUBIO, Republican Member of the United States Senate.
